everroll® classic is available as **everroll® compact** (in 4 and 6 mm thickness) and as **everroll® impact** (in 8, 10 and 12 mm thickness).

Colours may differ from the originals due to the nature of the printing process. Your buying decision should be made only after viewing a sample of **everroll®**. Request your **everroll®** sample from BSW.

(Justifiable) colour and design deviations between different production batches cannot be avoided. If possible, material from one production batch is supplied.
